PARENT/TEACHER CONFERENCES this month!

We are looking forward to another opportunity for teachers to connect with each family and communicate about each child's growth during this school year. Your children have been hard at work playing, exploring, and experiencing a vast variety of activities to enhance learning in all areas of development. Thorough and careful lesson plans are developed by each teacher to provide learning opportunities in all areas: **social/emotional, physical** (gross/fine motor), and **cognitive/academic** domains.

Look for sign-ups from your teachers to take advantage of this time to connect!

Parent/Teacher conference schedule:

Friday, March 9 th :	Kindergarten with Ms. Melinda
Thursday, March 22 nd :	M-F Fours with Ms. Theresa
