

Families,

It is February! It is hard to believe that we are halfway through our school year. We have enjoyed watching the children grow and form friendships!

Via Goode, the storyteller could not visit us last month so she will delight us with her storytelling at the end of the month.

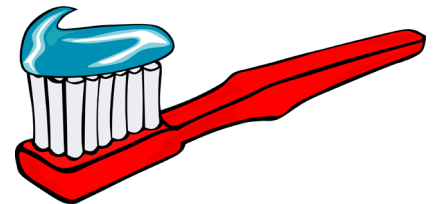

"A friend loves at all times."

It is Dental health month!

This month we will celebrate dental health by having some dental hygienist come and talk to us about caring for our teeth.

## Outdoor Play

We love our outdoor play...even when it is cold. Please dress your child appropriately for outside play with warm coats, hats and mittens!
